

## AMERIGROUP Corporation

Virginia Beach, Virginia

This project involved the fast-tracked construction of an 106,000 SF, 4-story Class A office building to serve as the National Support Center for AMERIGROUP. The \$22.0 million project included the relocation of AMERIGROUP's Corporate Data Center from the existing space into the new headquarters.

McKinney served as the Program Manager and Owner's Representative for the AMERIGROUP Corporation providing overall management responsibility for all aspects of planning, design, construction, procurement and installation of Owner's fixtures, furniture and equipment (FF&E), including IT systems, security systems, furniture and food service. McKinney also provided move management consulting for 450 associates.
