

Lowe's Home Centers, Inc.

Town of Ashland, Virginia

McKinney and Company is working with Lowe's on the rezoning of a 15.2 AC site on Route 1 in the Town of Ashland for the construction of a 169,000 SF facility, including a garden center. The case has involved the preparation of zoning exhibits, including site layout overlay for aerial photo and assistance to the team on illustrating enhancements, landscape, site access, traffic improvements, as described by the written proffers for the case. Approval of the rezoning is pending.
